

A TRADE SHOW TARGETED AT THE FOOD INDUSTRY

FOODTECH, a new international trade show, is the answer to the F&B sector's need for modernization and constant technological update, and a surefire way to help industry companies move forward; a trade show specifically targeted at the production, processing, packaging and handling technologies of Food & Drinks, and directed to owners and executives from the sector's productive and commercial enterprises.

The very first FOODTECH, a premium and 100% F&B-targeted trade show, will be held on October 12, 13 and 14, 2019 at the Metropolitan Expo, the largest and best exhibition center in Greece. At FOODTECH, thousands of food and beverage professionals will gather to make deals and form partnerships. The trade show intends to become the meeting point for hundreds of Greek and international exhibitors and a real pole of attraction for thousands of trade visitors from Greece as well as the global marketplace, at least as far as the region of Southeast Europe is concerned.

WHO EXHIBITS AT FOODTECH

FOODTECH is expected to attract as exhibitors leading suppliers from Greece and the world, which produce or import technology and processing products and services for the Food & Beverage industry. Their goal, to help professionals bring food products to the market in a faster, safer and more efficient way. FOODTECH will, in turn, help exhibitors build brand awareness, expand market share, and generate sales leads.

WHY EXHIBIT

Exhibiting at FOODTECH means securing the opportunity to meet qualified buyers playing a significant role in the global marketplace for the development of new business. Specifically:

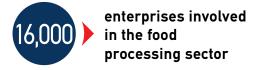

- > You will be able to showcase your products and services to thousands of trade visitors from Greece as well as abroad and reach significant trade agreements. You'll meet new contacts and solidify relationships with current customers.
- **You will come into contact** with targeted international buyers. FOODTECH is expected to attract at least 250 decision makers from some of the world's most successful F&B companies, who will hold approximately 4,000 b2b meetings with the fair's exhibitors.
- > With thousands of professionals with purchasing authority in attendance, you will generate far more qualified leads in three days at FOODTECH than in weeks of sales calls, at a far more economical price.
- **FOODTECH takes place in October**, the perfect time for your customers to attend and, when they are ready, to make purchases that sync with their budget cycles.
- > The strategic location of Greece makes it a key trade center in Southeast Europe and the Middle East, as well as a gateway to the Balkan marketplace, while the port of Piraeus is of great importance in the EMEA region.
- > Within a challenging and competitive environment—on both national and international level—, the Greek F&B industry makes a major effort to return to growth, based on the development of innovative & competitive products. Hence, it invests in the constant improvement of production methods, operations and distribution systems; proof that Greece is offering great opportunities for investments and business ventures.
