POWTECH

Future solutions in the food Industry

THE GREEK MOST INFLUENTIAL TRADE SHOW FOR THE F&B INDUSTRY

FOODTECH is the answer to the F&B sector's need for modernization and constant technological update, and a surefire way to help industry companies move forward; a trade show specifically targeted at the production, processing, packaging and handling technologies of Food & Drinks, and directed to owners and executives from the sector's productive and commercial enterprises.

So, if you are looking for new technologies, innovative products, services, practical solutions and trends to integrate into your business, FOODTECH, which will be held on 12-15 November 2021, in Athens, Greece, will provide great networking, as well as an opportunity to meet with new business connections and catch up with peers.

20,000 m²
Exhibition space

180
Exhibitors

20,000
Visitors

The Greek F&B industry at a glance

4% of the country's total GDP

25,8% of the Greek industrial production

€14,2 billion turnover

16,000 enterprises involved in the food processing sector

Why Visit

• Within four days, you will meet, under the same roof, 180 exhibitors, compare prices and conclude direct commercial agreements.

• You will see first-hand the equipment and technologies that will lead your business on the Industry 4.0 era, making it more competitive and more profitable.

• Exhibitors' products and services cover the entire range of the production process, from safe food production, processing, packaging, storage to distribution. So you will find everything you need to improve the production line of your business.

• You will acquire knowledge, information on the market trends and you will "study" up close industry's successful case studies that can serve as a model for you.

90%

of visitors were impressed by FOODTECH '19 and 81% stated that the trade show met their commercial needs.

Important synergies from the parallel organization of FOODTECH & ARTOZA

FOODTECH will be organized simultaneously with ARTOZA, the key exhibition for the bakery and pastry sector in Greece. The visitors will have the opportunity, to get in touch with 180 leading companies in the bakery and confectionery industry and conclude important trade agreements.

“We participated in a lot of b2b meetings with the exhibitors and we closed some important deals”

Ans Omar Alhobl
Bolido Group,
Manager/ Egypt
