The top rated gathering of the Packaging world

GLOBAL PACK is taking place from 7 to 10 November 2025 at Metropolitan Expo (Athens, Greece) aiming to highlight a new era for the packaging industry. Market leaders will showcase tailor-made solutions and innovative concepts for packaging for the food, beverage, confectionery, bakery, pharmaceutical, cosmetics, non-food and industrial goods sectors. So, if you are a CEO, buyer, logistics, R&D, product or intralogistics manager, and you wish to discover sustainable solutions and new technologies to digitally transform your packaging line, become more profitable, or optimize your warehouse storage system, GLOBAL PACK is the place to be.

Who exhibits at GLOBAL PACK

GLOBAL PACK visitors will discover innovative products, technological solutions and services related to packaging machinery, packaging materials, printing, storage and robotic systems.

- Packaging and filling machinery
- Packaging materials and supplies
- Labelling, marking and identification technology

- Peripheral packaging machinery and equipment
- Packaging printing and finishing
- Weighing, Coding and Traceability systems

- Storage and Handling equipment & solutions
- Services for the packaging industry
- Packaging testing labs
- Palletizing technology

At GLOBAL PACK
you will meet the experts and discover the latest trends of the packaging industry.

A pivotal destination for the F&B production and processing

FOODTECH, the international trade show focusing on the production and processing technologies, is the main business platform for new innovative developments in the F&B industry. The trade show highlights the next era of food manufacturing, giving the industry the opportunity to connect, learn, engage, and move to a more sustainable and efficient future. Being a professional of the F&B industry, who is always looking for advanced technologies and practical solutions to improve, develop and automate your business production line, FOODTECH -which will be held from 7 to 10 November 2025 at Metropolitan Expo in Athens, Greece- is the place to be.

Who exhibits at FOODTECH

The visitors of FOODTECH will meet in person leading manufacturers, importers and suppliers of Technology & Processing products and services concerning the food and beverage industry.

- Food & Beverage processing machinery and equipment
- Bottling & filling machines liquid food and beverages
- Automations, Robotics systems and Information technology programs

- Raw materials & Additives for F&B production
- Industrial gases
- Weighing systems and technologies
- Labeling, coding & traceability machinery and equipment

- Cooling - Heating Systems, Freeze chambers
